COMMENTS:

This bill would create the Grant Information Act of 1999 and allow all state agencies to include a listing of all grants and applicable forms administered by that state agency on the Internet.

The August 23, 1999, amendment makes the bill permissive rather than mandatory for state agencies and also made a technical change which would not impact the department. The department's analysis of AB 187 as amended June 17, 1999, still applies.
